ship Helen Brewer from Honolulu. Port Townsend-May S, arrived bark Hesper for Honolulu.

The British steamer Miowera is now at Newcastle-on-Tyne undergoing necessary repairs occasioned by her mishap at Honolulu. It is intended to have her fitted up with refrigerating machinery, so as to develop the growing trade in frozen meat. Before leaving for Australia she is expected to make several trips from Newcastle, England, to Norway, and upon her arrival at Australia will resume her old running in the Canadian mail service.

Captain Herksen, an old-time shipmaster who is well known in this port and was here last year in command of the German bark J. C. Glade, is now at Port Glasgow, on the Clyde, superintending the building of a new steel ship at Russel's yard for the Laitz German line of vessels. Laitz is known as the Nitrate King of Germany and has a large fleet of vessels sailing to the West Coast. The new vessel which will be finished in June, will be called the H. F. Glade and will run in the Hackfeld line between

Bremen, Honolulu and this port. The sealing schooner Matthew Turner is reported lost. No particulars are given, but it is thought that she struck a hidden rock along the Aleutian Islands and went to the bottom suddenly. All hands are supposed to have gone down cents per month, in advance. Ring with the vessel.

A SILVER CUP.

Mr. Hopke Pleasantly Remembered by a Host of Friends.

A. F. Hopke, who has been a resident of Maui for fourteen years, a number of which he has been in charge of the Spreckelsville store, besides holding a position as Consular Agent of the United States, leaves the island on the 24th of this month, as he will return on the Australia to his home in the States. Mr. Hopke has made many warm friends during his prolonged stay on Maui, who showed their esteem the other day in presenting him with a very handsome silver "loving" cup, the work of Mr. Wichman. Mr. G. P. Wilder presented the cup, along with a briefly responded to, as Mr. Hopke was somewhat overcome.

Besides a number of Mauites, several gentlemen from Henolulu were present, who joined with the company in wishing Mr. Hopke many prosperous years to come.

Arrangements for the coming race meeting on June 11th are attracting considerable attention just now. The latest addition to the programme is a mile foot-race. The only entries that have been made at present are Jim Dodd, Si Edison, Jerry Simonson and Kenneth Wallace of the Kinau.
